Reminders

Please email all camp forms to Sabina.Wetterling@walmart.com prior to camp, or hand them in on the first day of camp.

Campers are required to bring a **nut-free lunch** and reusable water bottle each day.

Swim Tests

Swim tests must be completed BEFORE camp starts.

This is different than the Swim Assessments for swim lessons. Swim Test can be formed anytime the pools are open; just ask a lifeguard.

All swimmers age 8 and under must wear a life jacket unless they pass a swim test, which includes:

1. Swim the length of the pool without struggle
2. Float on back for 1 minute
3. Tread water for 1 minute

Check the aquatics page for Swim Test & pool policies.
